

# Memorandum

Date : SEP 25 1995

To : Lint Brown, Northern District Chief  
Lou Beck, San Joaquin District Chief  
Charles White, Southern District Chief

From : Department of Water Resources

Subject: CALFED Bay-Delta Program Public Meetings

The CALFED Bay-Delta Program is having a series of public meetings through January 1996. An announcement for these meetings is attached. Their purpose is to provide a general overview of the program and to discuss the four problem areas upon which the program will focus.

Karl Winkler, Central District Chief, will be attending the meetings in Stockton and Oakland. Please plan to attend the meeting within your district. Your role will be to respond to requests by the Bay-Delta Program staff for information about Department activities and to add any information or insights you feel will contribute to the meeting.

If you wish to obtain additional information about the Bay-Delta Program, please call Steve Yaeger, Bay-Delta Program Deputy Director, or Judy Kelly, Assistant Director--External Affairs, at (916) 657-2666.
